Luncheon to Honor Mayor George Heartwell

Grand Rapids Mayor George Heartwell will be recognized and honored at the November 18 GVMC Quarterly Luncheon. George was appointed to the GVMC Board as a representative of the City of Grand Rapids in October 2003, 3 months before he was sworn in as the City's new Mayor. His tenure as a Grand Rapids representative on the GVMC Board ends in January due to term-limits for the Mayor's office.

During his 12 years at the helm of the City, Mayor Heartwell has worked to implement a variety of environmental measures, including purchase of renewable resource energy, use of alternative fuels in city vehicles, continued attention to water quality in the Grand River, and widespread implementation of energy conservation measures. During his tenure, the City of Grand Rapids has become well known as a center of sustainability, receiving the US Chamber of Commerce's "Nation's Most Sustainable City" award in 2010 and in 2012 Mayor Heartwell was given the first place Climate Protection Award by the US Conference of Mayors.

Additionally, George has served as President and CEO of Pilgrim

Manor Retirement Community; Director of the Community Leadership Institute at Aquinas College; held positions at Heart-side Ministry; and was President of Heartwell Mortgage Corporation.

Along with Mayor Heartwell, we will also recognize Doyle Hayes and Mick McGraw for their years of service.

Prior to the Luncheon with Michigan Energy Director Valerie Brader, we will have a brief Board of Directors Meeting at 11:00 am.
