Kentwood City Commission Presentation

I recently had the opportunity to discuss GVMC with the Kentwood City Commission. It was a very informative meeting. We talked about the Metro Council and our many regional programs.

Mayor Kepley stated: *“John’s presentation was an excellent opportunity for our City Commissioners to engage with the GVMC, learning more about ongoing projects and region-wide collaborative efforts. A positive response was given by the Commission as the discussion demonstrated the direct value received by Kentwood as an active GVMC member.”*

As the leaves turn and Fall returns to West Michigan, so does the time for our GVMC “On the Road”. We have several presentations to our member boards and service clubs scheduled. If you would like to schedule a presentation to your group about GVMC or any of our programs, do not hesitate to contact me.

Board Meeting Reminder

Just a reminder that our next Board of Directors Meeting will be held on November 18th at 11:00. It will be at the Seidman Campus of Grand Valley State University in the DeVos Boardroom. This is prior to our Quarterly Luncheon. If you haven't done so already, it is very important that you RSVP. You can do so by using the link at <http://gvmc.org/payment.shtml>

We are planning a brief meeting prior to the luncheon. The agenda will include a presentation by the City of Kentwood and their request for others to collaborate on an important issue.
