POLICY/TECH COMMITTEE
Wednesday, January 15, 2020
9:30 AM
GRAND RAPIDS TOWNSHIP HALL
1836 East Beltline NE, GRAND RAPIDS

AGENDA

- I. **ROLL CALL AND INTRODUCTIONS**
- II. **APPROVAL OF MINUTES**—**NO ACTION**: Formal November meeting minute approval will be pushed back to March separately for each Committee.
- III. **OPPORTUNITY FOR PUBLIC COMMENT**
- IV. **TIP AMENDMENTS**—**ACTION**: On behalf of MDOT, Kent County Road Commission, Grand Rapids, Lowell, Ottawa County Road Commission, Walker, Hudsonville, and Jamestown Twp amendments/modifications to the FY2020-2023 TIP are being requested.
Please refer to Item IV: Attachment A
- V. **APPROVAL OF DRAFT 2045 METROPOLITAN TRANSPORTATION PLAN (MTP)**—**ACTION**: GVMC Staff is requesting that the Tech/Policy Committee approve the draft 2045 MTP in order to bring the document to the public for comment.
Please refer to Item V: Attachment A
- VI. **OTHER BUSINESS**
- VII. **ADJOURNMENT**

MEMORANDUM

DATE: January 8, 2020

TO: Technical and Policy Committees

FROM: Laurel Joseph, Transportation Planner

RE: **FY2020-2023 Transportation Improvement Program**

On behalf of MDOT, Kent County Road Commission, Grand Rapids, Lowell, Ottawa County Road Commission, Walker, Hudsonville, and Jamestown Twp the following amendments/modifications to the FY2020-2023 TIP are being requested. Here are the specific requests:

- MDOT is requesting the amendments/modifications to the TIP project list in the attached TIP Amendments/Modifications Summary. MDOT is also requesting committee review of the S/TIP exempt project list. Many of the projects on this S/TIP exempt list have been reviewed by the Committees in the past – “new” projects have been highlighted (please see attachments).
- Kent County Road Commission is requesting to add two local bridge projects to FY2022, which have triggered a FY2022 Local Bridge GPA threshold amendment (please see TIP Amendments/Modifications Summary and GPA Report attachments).
- The City of Grand Rapids is requesting to increase the total and local budget for multiple FY2020/2021 projects (no change in federal funding levels) and add a local bridge project to FY2022. These project changes/additions have also contributed to triggering GPA threshold amendments (please see TIP Amendments/ Modifications Summary and GPA Report attachments).
- The City of Lowell is requesting to add a new small urban project to FY2020 that was recently selected by MDOT for funding (please see TIP Amendments/ Modifications Summary attachment).

- Ottawa County Road Commission is requesting a slight budget adjustment on an RTP project. The is pending because of the pending FY2020 Local Road GPA threshold amendment (please see TIP Amendments/Modifications Summary and GPA Report attachments).
- The City of Hudsonville is requesting to move their Buttermilk Creek Pathway TAP project fully to FY2021. This project is currently half funded in FY2020 with the remainder using advanced construct funding in FY2021. Because of MGS application and review timing, this project will not make it to obligation in FY2020. It is recommended that the federal funding levels remain the same as originally programmed (please see draft TAP pool attachment for more project details).
- To help balance the move of the Hudsonville TAP project to FY2021, staff, on behalf of Jamestown Twp/OCRC, is recommending to fully fund the Greenly Street nonmotorized path project in FY2020 instead of using advanced construction for half as originally programmed. This project is on track for obligation in FY2020 (please see draft TAP pool attachment for more project details).

If you have any questions, please do not hesitate to contact me at (616) 776-7610.

MPO : Grand Valley Metropolitan Council (GVMC)

Notes:

The last federally approved threshold for the FY2020 Local Road GPA was \$11,601,688, approved in October, 2019. Since then, incremental local approvals of less than 25% have taken place.

The FY2022 Local Bridge GPA threshold will be newly created as a result of bridge project additions.

MEMORANDUM

Date: January 8, 2020
To: GVMC Technical and Policy Committee
From: Andrea Faber, Transportation Planner
Re: Draft 2045 Metropolitan Transportation Plan

GVMC Staff has completed the first draft of our 2045 Metropolitan Transportation Plan (MTP) and is asking for Technical/Policy Committee approval to bring the document to the public for comment.

The draft 2045 MTP document represents months of work and includes input from Committee members, stakeholders, and the public. GVMC staff have brought many elements of the draft document to the Technical and Policy Committees over the last several months, including:

- (1) Updated socioeconomic data for use in our new travel demand model
- (2) A revised vision statement, goals, and objectives for the MTP
- (3) The results of the comprehensive mode-based needs and deficiencies analysis, which included the integration of new performance-based planning requirements
- (4) The MTP project list

The following was also accomplished:

- (5) A financial analysis to determine projected funding levels through 2045
- (6) An environmental justice analysis and environmental mitigation analysis for the project list
- (7) Consultation on the draft project list (one comment received indicating support of the project lists)

Public involvement opportunities have also been continuous throughout the development of the MTP, and an official public comment opportunity for the public to review and comment on the draft MTP will be held from February 1 – March 2. There will also be a public meeting during the public comment period. The date is, at this time, is to be determined.

At the March meetings, the Committees will again be asked to approve the draft document, which will be updated to include feedback received during the public comment

period and/or minor editorial changes. GVMC staff plans to take the 2045 MTP to the GVMC Board for final approval on May 7, 2020.

Due to the large file size, **please access the draft 2045 MTP at www.gvmc.org/mtp**. It will be posted online by the end of the day on January 8, 2020.

If you have any questions, please contact me at (616) 776-7603 or andrea.faber@gvmc.org.

Recommended Action: Approval of GVMC's draft 2045 MTP in order to proceed with public involvement
